

BEMA

is dedicated to raising awareness of the beauty, efficiency, and design benefits of bath enclosures. Bath enclosures are the superior alternative to shower curtains.

A Bath Enclosure

is defined as any rigid panel system with an operating door used to contain water from a shower.

Entry Categories

- ◆ Glass Under 3/8"
- ◆ Glass 3/8" and over

Judging Criteria

is based on the complexity of the design and how well the enclosure works with the overall design of the bathroom and relates to the entire space. **(Your written discription will help the judges reach this decision)**

2010-2011 BEMA Design Awards

will be presented at the 2011 Annual Membership Meeting of the Association. The winner in each category will receive travel expenses of up to \$200 to attend. The BEMA meeting is held in conjunction with GlassBuild America: The Glass, Window & Door Expo set for September 12-14 in Atlanta, Georgia.

Entry Requirements

Installations must use hardware or enclosure material supplied by a BEMA member. For a list of BEMA members contact us at (785) 273-0393 or visit www.bathenclosures.org. All entries must have been installed between July 1, 2010 and June 30, 2011. There is no entry fee and contestants may submit multiple entries. To be considered a completed form and all requested information must accompany each entry.

Entry Information

Completed entry form, at least two high quality prints (4x5", 2x2" or 35mm format) or high resolution digital file, **a brief written description of the entry and how it relates to the bathroom and the customers specifications**, and who to contact for further information. All entries must be signed. **Entry forms can be copied or downloaded from the BEMA website at www.bathenclosures.org.**
