2008 BEMA Annual Meeting

The 2008 Bath Enclosure Manufacturers Association (BEMA) General Membership Meeting is scheduled for 3:00 - 5:00 p.m., Tuesday, October 7th in room N256 at the Las Vegas Convention Center. Come early for our cocktail reception and a chance to network with peers in the industry.

In keeping with tradition, this year's meeting will be held in conjunction with the GlassBuild America: The Glass, Window & Door Expo, October 6-8, in Las Vegas, Nevada. To avoid the early morning rush and in keeping with members wishes, what was once our breakfast meeting is now an afternoon meeting and social. There is no charge to attend and all those involved in the bath enclosure industry are invited.

The meeting will include an informative update of association activities, report on the association's technical standards, and the announcement of the winners of the Annual Design Awards competition.

Be sure to stop by the BEMA booth located in the Industry Pavilion, booth #1232. For more information to www.bathenclosures.org or call BEMA headquarters at (785) 273-0393 if you have any questions. We look forward to seeing you in Las Vegas!!

BEMA is a collaborative, international glass and glazing industry organization committed to the advancement of the manufacture, promotion, sale and safe installation of tub and shower enclosures.
